

Worksheet 1/7 Inside Prepositions

The chart of preposition words are in the sentences. Circle the preposition in each sentence that tells where the subject or noun is located. The first one has been done for you.

between	into	underneath	in	around	on	at	for	towards
---------	------	------------	----	--------	----	----	-----	---------

- 1) It isn't easy being a bull in a china shop.

- 2) Peg laid the marker on the line.

- 3) A castle stood between two rivers.

- 4) I want to sink my teeth into that burger.

- 5) Driving around the streets, we finally arrived at the store.

- 6) Digging underneath the cabin, we found tons of worms for fishing.

- 7) Lumbering towards her den, the sleepy bear stretched and yawned.
